1. INTRODUCTION:

Insider trading means dealing in Securities of a Company by its Directors, Employees or other persons (Insiders) who have access to the unpublished Price Sensitive Information relating to the Company.

Such dealing by Insiders may have the effect of eroding the investors' confidence in the integrity of the management and is unhealthy for the capital markets.

The Securities and Exchange Board of India (SEBI), in its endeavor to protect the interests of investors in general, had formulated the SEBI (Prohibition of Insider Trading) Regulations, 1992, as amended from time to time, under the powers conferred on it under the SEBI Act, 1992.

Regulation 3 of the Regulations, which prohibits insider trading is quoted below:

"No insider shall –

- (i). either on his own behalf or on behalf of any other person, deal in securities of a company listed on any stock exchange when in possession of any unpublished price sensitive information; or*
- (ii). communicate or counsel or procure directly or indirectly any unpublished price sensitive information to any person who while in possession of such unpublished price sensitive information shall not deal in securities;*

***Provided** that nothing contained above shall be applicable to any communication required in the ordinary course of business or profession or employment or under any law."*

"Insider", "unpublished price sensitive information", etc. have been defined in the later parts of this Code.

In terms of Regulation 12, it is also mandatory for every listed Company/entity to formulate a Code of Conduct, for its Directors, Officers and Employees, for Prevention of Insider Trading as also a Code of Corporate Disclosure Practices.

In line with the above and in order to comply with the mandatory requirement of the Regulations, this document has been prepared which embodies the "Code of Conduct for Prevention of Insider Trading" and the "Code of Corporate Disclosure Practices" ('Code') adopted by Kohinoor Foods Limited and to be followed by their Directors, Officers and other Employees.

The Code is based on the principle that Directors, Officers, and Employees of the Company owe a fiduciary duty to, among others, the shareholders of the Company, to place the interest of the shareholders above their own and conduct their personal Securities transactions in a manner that does not create any conflict of interest situation.

The Code also seeks to ensure timely and adequate disclosure of Price Sensitive Information to the investor community by the Company to enable them to take informed investment decisions with regard to the Company's Securities.

This Code has been reviewed by the Board of Directors of the Company in its Meeting held on 30th May, 2017.
